MRS. DAVID H. BURR'S

French and English seminary for Young Ladies, corner of E and 9th streets, Washington city.

The location of this seminary is one of the most desirable in the city, on account of its healthy and airy position. The house is large and commodious, with ample grounds and other facilities for amusement and recreation. The principal, so well and favorably known in this city, and in New York, from her long experience in teaching, hopes to give entire satisfaction to all who may confide their daughters to her care. She is a native of France, and familiar with its language and literature, and conversant with the best and easiest modes of imparting to her pupils a perfect knowledge of that language, so that they can not only read and write, but speak it fluently. She has secured able earistants for various departments, so that all branches of an English as well as French education will be thoroughly taught. Pupils who reside in the family have the peculiar advantages of hearing, and conversing at all times in the French language, and of perfecting themselves in the science of music, being under the surveillance of an experienced teacher. The course of instruction, besides the usual elementary branches, includes all the higher studies pursued in the most approved northern seminaries. The discipline is mild and affectionate, yet decided, and is maintained by appeals to the affections and conscience of the pupil; it is designed, by a proper development and cultivation of the better qualities of the heart, to bind more affectionately the pupil to her teacher, and by it to secure obedience. As sound physical, moral, and intellectual improvement and culture, are the great objects desired, it is the aim of the principal norts of the mind. The charges to those who reside in the family are, for board and tuition in all the branches of French and English, \$200 per annum for a single pupil; but when two or more are entered at the same time, a

Particular attention will be paid to the settlement of accounts of disbursing officers, who may find it inconvenient to attend personally, especially those of the navy. His experience and practical knowledge will afford many facilities.

Charges will be moderate, and regulated by the amount claimed and the extent of service required. Communications (post paid) will receive immediate attention.

VALUABLE REAL ESTATE FOR SALE IN ALLEGANY COUNTY, MARYLAND. PURSUANT to a decree of Allegany county court as a court of equity, passed April term, 1839, and a peremptory order of said court, passed April term, 1845, the undersigned, as trustee, will offer for sale, at the tavern of John Black, in the town of Cumberland, on Saturday, the 19th day of July next, a tract of land called "Tuesday's Work," on George's creek, being part of the real estate of which Henry O'Neill died seized and possessed, lying and being in Allegany county.

This valuable tract of land is situated on George's creek, about three and a half miles from Frostburg, adjoining the property of Wm. Ward, esq. It contains 655 acres more or less; the soil is very fertile and susceptible of a high state of improvement, and is believed to abound in exhaustless beds of stone coal. Its location in the heart of the coal region—its susceptibility of division into valuable farms, together with its proximity to the Lonaconing iron works, the Mount Savage iron works, the railroad of the Maryland Mining Company, and other extensive improvements now in progress in the county—render it a very desirable property to purchasers. Persons wishing to purchase can obtain any information respecting it from the trustee.

The tract will be divided and sold in parcels to suit purchasers. A plat of the land, &c., can be seen by calling on the subscriber.

The terms of sale, as prescribed by the decree, are one-third of the purchase money on the day of sale, the balance in two equal annual payments, the purchaser giving bond for the same, with security to be approved by the trustee. On the payment of the whole purchase money, the trustee will convey a title by a deed of bargain and sale.
